WAC 192-270-005 Definitions. The definitions below apply to this chapter. (and) RCW 50.22.150, and RCW 50.22.155:

(1) "Labor market" means the geographic area in which workers in your particular occupation or with your particular set of skills have customarily found work. For the purpose of determining whether you are a dislocated worker, "labor market" is based on your place of residence at the time you separated from employment. You will not be considered a dislocated worker if, following your separation from work, you move from a labor market area where your skills are in demand to an area where they are declining.

(2) ("NAICS" means the North American industry classification system code.

(3)) For claims with an effective date prior to April 5, 2009, "plurality of wages" means the largest proportion of wages earned within a particular occupation or skill set. These wages must be earned in:

(a) Your base year, and
(b) At least two of the four twelve-month periods preceding your base year.

(4) "SIC" means the standard industrial classification code.

(5) "Skill set" means the work-related knowledge and abilities needed to produce a particular product or provide a particular service.

(4) "Training benefits" means the additional benefits paid under RCW 50.22.150 and RCW 50.22.155 to eligible dislocated workers enrolled in and making satisfactory progress in a training program approved by the commissioner.

(7) "Wages" means remuneration earned in employment as defined in Title 50 RCW or the comparable laws of another state. This means that only wages in covered employment can be considered in determining whether you have sufficient tenure in an occupation or in work with a particular skill set.

(5) For purposes of RCW 50.22.155, subsection (2)(b)(i) relating to low income workers, the term "total wages" means wages in employment covered under Title 50 RCW or comparable federal or state laws.
AMENDATORY SECTION (Amending WSR 01-11-085, filed 5/16/01, effective 6/16/01)

WAC 192-270-035 Time frames. Information about training benefits will be included in the claimant information booklet mailed to you at the time you file your application for unemployment benefits (see WAC 192-120-010). For purposes of this section, the claimant information booklet is considered your notification of the eligibility requirements for the training benefits program.

(1) Submitting a training plan.
   (a) For claims with an effective date prior to April 5, 2009, you have 60 calendar days to submit a training plan to the department for approval, beginning on the date you are notified by the department about the eligibility requirements for training benefits. For new claims, the deadline will be 65 calendar days from the date your application for benefits is filed, which represents 60 days plus five days for the booklet to reach you by mail.
   (b) For claims with an effective date on or after April 5, 2009, you have 90 calendar days to submit a training plan to the department for approval, beginning on the date you are notified by the department about the eligibility requirements for training benefits. For new claims, the deadline will be 95 calendar days from the date your application for benefits is filed, which represents 90 days plus five days for the booklet to reach you by mail.

(2) Enrollment in training.
   (a) For claims with an effective date prior to April 5, 2009, you must be enrolled in training within 90 calendar days, beginning on the date you are notified by the department about the eligibility requirements for training benefits. For new claims, the deadline will be 95 calendar days from the date your application for benefits is filed, which represents 90 days plus five days for the booklet to reach you by mail.
   (b) For claims with an effective date on or after April 5, 2009, you must be enrolled in training within 120 calendar days, beginning on the date you are notified about the eligibility requirements for training benefits. For new claims, the deadline will be 125 calendar days from the date your application for benefits is filed, which represents 120 days plus five days for the booklet to reach you by mail.

(3) For claims with an effective date on or after April 5, 2009, these timeframes may be waived for good cause. For purposes of this section, "good cause" includes but is not limited to situations where:
[a] You were employer attached, including being on standby or partially unemployed, when you filed your claim for unemployment benefits but your attachment to your employer subsequently ended;

(b) You acted or failed to act on authoritative advice directly from department or partner staff upon which a reasonable person would normally rely;

(c) You were incapacitated due to illness or injury or other factors of similar gravity; or

(d) Other factors which would effectively prevent a reasonably prudent person, as defined in WAC 192-100-010, facing similar circumstances, from meeting the timelines established under this section.

(4) If you return to work, and subsequently become unemployed, the time frames described in subsections (1) and (2) begin with the date you file your additional claim for benefits.
