Welcome to the Washington Service Corps Family
AmeriCorps State and National

• Largest branch of AmeriCorps.
• About 75,000 positions each year.
• Serving with more than 2,600 organizations.
• AmeriCorps members address critical needs in communities across America.
• National partners include state and local programs like the Washington Service Corps.
Washington Service Corps Overview

Washington Service Corps (WSC)

• Statewide program with about 900 AmeriCorps and VISTA members.
• Created in 1983, by the WA State Legislature.
• Part of the Employment Security Department.
• Programs address unmet community needs related to education, healthy futures, economic opportunity, environment, and veterans and families.
• Creative partnerships with local government entities, faith and community-based organizations and nonprofit agencies.
